

# Do Now 5.05 1. Begin reading the following lessons in the EarSketch documentation in Unit 3. \* 3.5.3 [Sharing an EarSketch Script](<https://earsketch.gatech.edu/earsketch2/#?curriculum=3-5-3>) 2. Write down 2-3 songs that have a structure that you could emulate in EarSketch. 3. For one of those songs write down the different musical parts of the song, in order. This most likely will include verses, the chorus, and the bridge. ## Example Using Pharrell Williams' "Happy": \* Section A \* Section B \* Section A \* Section B \* Bridge \* Section B \* Section B \* Bridge \* Section B \* Section B Note: No intro or outro in this song. ## Copyright Note The above is taken from the EarSketch teaching resources.
